Dear Parents,

Thank you for your interest in the Woodstock Nursery School, where we offer a warm, caring and stimulating environment for children 3-5 years of age. Our 4 STARS accredited program provides a nurturing and peaceful learning space. Our daily routine integrates the Vermont Early Learning Standards with free play, art, music and natural science.

Our classroom is located on the first floor of the beautiful and historic Little Theater in Woodstock, Vermont. The open, airy space is filled with natural light and has an attached kitchen allowing us to bake healthy snacks. We have created a homey, simple environment where the children may comfortably explore and play.

At WNS, we encourage independent thinking and problem solving to help children gain respect and confidence in themselves. Social and emotional development are key components of the WNS daily practices. This includes positive reinforcement and inspiration to use language and strategies for sharing.

WNS provides opportunities involving creativity, exploration and discovery. Exposure to music, dance, yoga and mindfulness are embedded in the weekly schedule. We also take frequent excursions to the town library, Faulkner Park, Vail Field and Mount Tom.

As the relationship between families and teachers is a top priority at WNS, there will be consistent communication and regularly scheduled family gatherings, work days, and activities aimed at enhancing our community. We look forward to the 2022/2023 school year!

Sincerely,
WNS Board of Directors

WNS : 2022-2023 In Town Trip Permission Form

WNS takes daily adventures to many different locations including Faulkner Park, Vail Field, “Butternut Playground”, the Woodstock Post Office, the Norman Williams Library, Mount Peg, Mount Tom and Billings Farm. Sometimes we walk without a need for a specific destination! We typically take River Street to the Middle Bridge to access town. Sometimes we take the dirt path on Mountain Avenue or venture to North Street or wrap around on the steel bridge on Elm Street. We love walking along Central Street and sometimes take the back neighborhood routes or check out the Woodstock Inn. During these journeys, we use a bright yellow rope with handles for children to hold onto to stay with the group.

Please sign and date to give us permission to include your child on these adventures!
